## TRUSTEE APPOINTMENT

ASKED BY HOLT

James L. Holt has asked the court to appoint Hawaiian Trust Company as trustee of the estate of Robert W. Holt, who died July 6, 1862, and whose estate has been handled by many since that time.

The bill traces the history of the estate through the hands of many trustees, some serving for several years and others for only months, the last being J. F. Colburn, who resigned the trusteeship September 30 of this year.

Holt claims that he is the sole heir and that Colburn took possession of the estate after his appointment had been reversed by the Supreme Court. This appointment was made November 19, 1907, and Colburn resigned on September 30 of this year.

## SAYS KUBEY WILL GET SQUARE DEAL

Charges Against Assistant Postmaster to Be Thoroughly Sifted.

The fact that Joseph Kube, assistant postmaster, was one of the outsiders in the crap game at the custom house that resulted in a shake-up in the customs force, forms the basis of charges that are now being investigated by Postmaster Pratt. Mr. Pratt said this morning:

"The matter is being thoroughly and carefully looked into, and if it is found that Kube's participation in gambling games is common, of course action will have to be taken. However, Kube is so far as my previous experience with him extends, a thoroughly capable and conscientious man, who has not violated my confidence in him. His work is good and he is faithful in the discharge of his duties."
